Education

MEd Educational Leadership

University of Lynchburg

While continuing my education at the University of Lynchburg, I was blessed to coach one of the best teams in the country and be mentored by one of the best coaches in the game. We-- the players, coaches, and support staff, were able to pursue excellence as we earned the program's first conference championship and a trip to the NCAA tournament.

B. A. Political Science

Gettysburg College

While I was a student-athlete at Gettysburg College, I was grateful for the opportunity to get a great education, make lifelong friends, and play a game I love-- lacrosse. It was awesome to earn success both on and off the field. I had some amazing professors in the classroom, and my teammates and I were fortunate to be coached by a Hall of Fame coach who led us to multiple conference championships and NCAA tournament appearances.
