Career

Head Coach at Bethel University, Tn

From Sept. of 2002 thru Jan. 2012 I was the Head Coach. When I became the Head Coach I was the only full-time coach left on the staff, with 6 games left on the schedule we somehow managed to finish 3-3. I had to rebuild the program and its image from scratch, we did not have a blocking sled, had a poor reputation in the area, no home field, a lack of meaningful budget just to name a few.

Coached Offensive line, Tight Ends, Running Backs, Quarterbacks, and oversaw all aspects of the program.

Hired a Premier Staff & Improved the programs image on campus and in the community.

Created a cooperative relationship between Faculty and coaches to ensure players are reaching their maximum potential both on and off the field.

Formed relationships with board members, donors, alumni, and vendors.

Created a first class collegiate atmosphere, while managing a tight budget for travel, recruiting, equipment, scholarships, and game day operations. (roughly a million dollars)
