- Screened, hired, developed assistant coaches and led off-site staff development activities
- Consistently had 1st-Team All-Americans
- Countless players developed and transferred to top ranked universities across the country

## Statement

Proven winner and leader of men who knows to build championship organizations from the ground up. The cultural foundation is focused in three areas: Culture of Respect, Culture of Learning, and Culture of Hard Work. The approach at the core is transformational, not transactional, and the byproduct is an organization that wins while young men excel in all areas of their lives.
